Dear AARC Member,

Thank you for being a member of your professional association! We continue to work to further strengthen and grow our profession and you are part of those efforts.

Due to the ever-increasing costs of doing business in today's world, the AARC Board of Directors has approved an increase in annual membership dues. While no one is happy when the cost of something goes up, we are proud that this will be the first increase in membership dues **since 2001**. We have worked hard to utilize our funds efficiently and effectively to keep the cost of membership affordable and will continue to do so!

The increase takes effect on Oct. 1, so you still have time to pay and beat the dues increase.

Your invoice reflects the new rate (because your dues are paid through a date that falls after Oct. 1), however, you can pay current rates up until Sept. 30 if you go online and follow the prompts. Or enclose a check using the current rates below.

You might also consider joining for a 2- or 3- year term, preserving current rates until 2018! In addition, you get a discount for a multi-year membership, offering even more value.

Rates for Specialty Sections remain the same.

Thank you for your continued membership and support of the profession!
